Website

Pat Lynn has posted our new website. Pictures, publications, documents and many other items may be found there. Check it out and tell your neighbors about it. Visit our website at www.FLCAonline.org

No Wake Zone

As powerboats are getting larger and the motors more powerful and dangerous to swimmers, the board has voted to make all of Forest Lake a "No Wake" zone.

If you are swimming, be aware that boat operators may have trouble seeing you, especially in the evening. We encourage swimmers to wear a fluorescent headband when outside the buoyed areas.

All boats that are used on Forest Lake or are stored on

FLCA property must display a 2014 FLCA sticker. Stickers may be purchased when paying your dues, at a meeting, or by contacting Steve Norman: 540-8857. Boats stored at our parks that do not have a current sticker may be removed from our property and disposed of.

Great Party!

We would like to add a quick thank you to Tracy & Steve Norman, Annie & Mike Vormittag, Sue Lalowski, & Katie Muller for helping to organize & run the Cabin Fever Party. We had a great turnout of about 60 brave souls who ventured out in yet another snowstorm. A good time had by all!
