Reminder

We have received approx. 54% of dues payments, If you have not paid your dues yet please do so soon. The dues money is the only money this community receives to maintain the lake, parks, and Community Center. If you haven't received an invoice or you are having trouble paying this years' dues, or past dues, please contact Greg Dwiel at: chair@flcaonline.org

Thank you to everyone for filling out the surveys that accompanied your 2016 invoice. The survey will be used to plan our future needs and projects and budget for them.

Easter Egg Hunt

Join us at the Community Center for our Annual Easter Egg Hunt on Saturday, March 19, 2016 at 10:00 a.m. We will have prizes, refreshments and a visit from the Easter Bunny following the egg hunt. Please make your reservation via e-mail: chair@flcaonline.org by 3/1/16 (your name, address, phone # and number of your children attending). The event is open to children 12 and under and must be a dues paid member. There is no charge but a limited number of spaces are available. The rain date is 3/26 at 10:00 a.m. Any changes will be posted on our website <http://www.flcaonline.org/> and our Facebook page. We look forward to seeing you there!

Be careful Out There!

The ice is getting thin. Continue checking the thickness of the ice, especially near the inlets and dam. Even if you see others on the lake, it does not mean that the ice is thick enough to support your weight. We recommend staying off the ice unless it is at least 6 inches thick.

Golf Anyone?

The 1st Annual Forest Lake Golf Outing! The date will be determined later. Likely in August at Village Green Golf Course. We are negotiating Prices now. If you are interested in participating, please email Steve Norman at: rentals@flcaonline.org more information will follow.

March Meeting

Our March meeting will be on March 8 at 7:30. All meetings are held at our Community Center on the 2nd Tuesday of every month.

Fish Stocking

Last fall we stocked about 200 Northern Pike into the lake. If you catch any of them, please promptly return them to the water.

The minimums for keeping fish caught in the lake are:

- 1 Walleye Pike - 18"
- 1 Northern Pike - 18"
- 1 Muskellunge - 36"
- 3 Bass - 14"
- 10 Pan fish
- 1 Catfish - 14"
- Carp - No limit - Please do not release back into the lake

Laura and Santa

Thank You Laura Tegmeier

Laura has been our activities chairwoman for over 30 years. She has coordinated our Breakfast with Santa, Easter Egg Hunt, adult get togethers, Halloween parties and countless other activities. Even though her sons are adults she has continued with these activities.

Thanks for all the work and hours that you have put in for our children and adults.

Our new Activities Chairman is Annie Vormittag She

has worked with Laura and is looking forward to all the future activities. Come and meet her at the Easter Egg Hunt.

They Work!

The migrating geese will soon be on their way. We have been asked if the Goose lines really work.

They really do. If you stretch a small diameter rope across your yard about 8 inches above the ground, the geese will not cross it. Please do not feed the geese or any animals that wander into your yard, coyotes, skunks and other unwanted critters.

Before I get criticized, it is O.K. to feed the smaller birds.

Elections

Officer elections were held at the annual meeting in January. The results are: Chairman Greg Dwiel, Vice Chairman Steve Norman, Treasurer Maija Boriss, Secretary Pat Lynn.

Annual Reminders:

It is time to take down your holiday lights and decorations.

Bring your garbage cans and recycling cans in from the street on Friday after they are emptied.

Wear light colored clothes and carry a flashlight when walking after dark.
