Chairman's Report (Dwiel): Thanks to all for being here.

Treasurer's Report (Boriss): Transferred \$10,000 from Money Market to Checking.

Checking Acct.:	\$ 16,677.14
High Yield Acct.:	\$ 90,542.68
<u>9 MO Annual CD:</u>	<u>\$ 228,196.24</u>
TOTAL:	\$ 335,416.06

Newsletter Report (Komorowski): None.

Website Report (Lynn): Up to date except for uploading of Paid Dues lists. Wanted to wait for approval of last month's minutes.

Lake Report (Leonard): Aerators to be turned off on the first of November.

Need to opt out of electric vendor and revert to Commonwealth Edison.

Week 6 samples submitted. Slight uptick in weeks 3 and 4, but not bad for August. Need to pull trigger on BGA units by October. These units do not require constant cleaning of filters/screens.

Lily pads should be pulled. There is no lily specific pesticide available.

Parks (M. Vormittag – not in attendance): Need to pull in swim ropes soon.

Landscape/Beautification Report (Boriss): Weather has taken a toll on landscaping.

Landscapers have already cleaned up. A little overzealously.

Activities (Dwiel): Greg contacted two people who may volunteer.

Government (Jennings): Mike was sole nay vote on issue to separate the Ela Highway Department. This move could impact our service if commissioner no longer elected and lead to eventual absorption by the county.

Community Center (Norman): Nothing.

Old Business: Starry Lane construction complete. Lady whose lawn was torn up is "satisfied" for now. Garbage pricing study is ongoing.

FLCA Minutes – 09/08/2020 (...continued)

New Business: People are cutting through the fence near the creek behind the Community Center. Tried to fix once. It was torn open again shortly thereafter. Will continue to seek solutions.

Audience Comments: No audience.

Adjourned: 8:22 p.m.
